You should not have to pay any amount above these negotiated rates. Also, you should not have to complete a claim form or pay up front for your health care services, except for those out-of-pocket expenses (like non-covered services, deductible, copay, and coinsurance) that you'd pay anyway. More than 85 percent of all doctors and hospitals throughout the U.S. contract with Blue Cross and Blue Shield Plans. Outside of the U.S., you have access to doctors and hospitals in more than 200 countries. Always use a BlueCard PPO doctor or hospital to make sure you receive the highest level of benefits. Visit the BlueCard Doctor and Hospital Finder Web site (www.anthem.com) or call BlueCard Access at 1-800-810-BLUE to locate doctors and hospitals when you need care outside of your Blue Plan's service area.
