## 2019 ISMA-sponsored Anthem Medicare Carve-out

### Highlights

If you are already insured with the ISMA when you turn 65, and choose the ISMA/Anthem Medicare Carve-out, your covered spouse and/or child(ren) can continue coverage through the ISMA. (If you purchase a Medicare Supplement outside the ISMA plan, your dependents will not be eligible to continue coverage through the ISMA.)

If you are already insured with the ISMA when you turn 65, no paperwork is required to change to the Medicare Carve-out; the change will be automatic.

The ISMA/Anthem Medicare Carve-out offers a solid package of benefits including:

- Medicare Part A Deductible (\$1,364/year in 2019) covered in full

## When you attain age 65

When you attain age 65, you will become eligible for Medicare Part A (Hospital), Medicare Part B (Medical) and Medicare Part D (Prescription Drugs).

If you work for an employer with 20 or more employees that pays some part of your health insurance premiums, the employer-provided health insurance will continue to be primary, and Medicare will be secondary. You can wait to start Medicare Parts A and Part B until you retire, at which point Medicare will become primary.

If you do not work for an employer with 20 or more employees that pays some part of your health insurance premiums, Medicare will be primary and your Anthem health insurance policy will be changed to a Medicare Carve-out, which is a supplement to Medicare. You can choose to purchase the Medicare Carve-out, or start a Medigap or Medicare Advantage Plan outside the ISMA.

If Medicare will be your primary insurer, you should call the Social Security Administration at 1-800-772-1213 to apply for Medicare Parts A and B about 3 months before you attain age 65. Or, you can apply for Medicare online at [www.medicare.gov](http://www.medicare.gov). Your Medicare coverage should start on the first day of the month in which you attain age 65 unless your birth date falls on the first day of a month, in which case it should start on the first day of the month prior. (For example, if you attain age 65 on July 20, your Medicare coverage will start on July 1. If you attain age 65 on July 1, your Medicare coverage will start on June 1.)

You will also need to purchase a Medicare Part D Prescription Drug Plan, or you may pay a penalty if you enroll after age 65. To determine which plans will provide you with the lowest overall cost, go to [www.medicare.gov](http://www.medicare.gov) and follow the prompts to find a Part D Drug Plan that covers all or most of your specific medications.

If you have a spouse and/or children who are currently covered under your policy, they will be moved to a separate policy when you are moved to a Medicare Carve-out. Anthem will send them a new ID card with their own new unique ID number. They will need to alert their health care providers and pharmacy to use this new number to ensure proper claims administration.

## ISMA Medicare Carve-out

For covered persons who are eligible for Medicare, ISMA offers a Medicare Carve-out policy. The term “carve-out” is used because under this adaptation of a complete major medical insurance policy, Anthem calculates the benefits the plan would pay based on their allowable amounts as if it were the subscriber’s only insurance, subtracts (or carves out) whatever Medicare pays, and then pays the difference.

*The Medicare Carve-out is designed to provide benefits similar to a standard Medigap Plan G. But unlike a standard Medigap Plan G, the foreign travel benefit has no lifetime maximum benefit, and SilverSneakers is included.*

## Quality coverage at a reasonable price

The ISMA Medicare Carve-out will provide you with the quality coverage you need at a reasonable price.

The plan works like this: Charges for services covered as Basic benefits are paid in full with no deductible. You pay nothing. (Note: If Medicare's allowable is greater than Anthem's allowable, you may be responsible for this difference.) For services covered as Major Medical benefits, you pay an annual deductible equal to the Medicare Part B deductible. The Medicare Carve-out and Medicare Part B deductibles are met at the same time. After that, coverage is 100% for the remainder of the calendar year.

## A valuable benefit for

- Physicians who are members of the Indiana State Medical Association and their spouses.
- Employees of insured ISMA members who work at least 20 hours per week (on an ongoing basis) in a medical office or medically related facility with fewer than 20 employees, and their spouses.
- Surviving spouses of deceased ISMA members, assuming member was covered immediately prior to death.

## Underwriting requirements

If you are already insured with Anthem through the ISMA when you become eligible for Medicare as your primary carrier, you will automatically be changed to the Medicare Carve-out plan. If you are not already insured with Anthem through the ISMA, coverage is subject to underwriting approval and is not guaranteed.

## Effective date

Coverage begins effective the first day of the month following approval. After approved, you will be mailed an identification card.

## About Medicare Part D Prescription Drug Plans

The ISMA Medicare Carve-out does not provide benefits for prescription drugs. You may purchase a separate Medicare Part D Prescription Drug Plan from a number of insurers through the state of your primary residence.

To determine which plans will provide you with the lowest overall cost, go to [www.medicare.gov](http://www.medicare.gov) and follow the prompts to find a Part D Drug Plan that covers all or most of your specific medications.

The State Health Insurance Assistance Program (SHIP) provides free, unbiased health insurance information for people with Medicare. SHIP is part of a federal network of State Health Insurance Assistance Programs located in every state. SHIP counselors can help as you consider Medicare Part D Prescription Drug Plan options. In Indiana, SHIP is sponsored by the Centers of Medicare and Medicaid Services (the federal agency that administers Medicare) and the Indiana Department of Insurance. You can call SHIP at 1-800-452-4800 and ask to speak or meet with a SHIP counselor in your area. Their TDD line for the hearing impaired is 866-846-0139.

# General information
