FOR EMPLOYEES

## Opportunity to save on drug costs

GoodRx has negotiated prices on some prescription drugs (especially generics) that are so low, they beat most insurance arrangements.

Fortunately, with your MPC plan, you can have the best of both worlds. If you find that a prescription costs less using a GoodRx coupon than running it through insurance, you can buy the drug with the GoodRx coupon and then email your receipt to [membershipservices@epiphanyrx.com](mailto:membershipservices@epiphanyrx.com) to get credit toward the out-of-pocket on your Anthem medical insurance policy.

Using the GoodRx mobile app (available on the App Store and Google Play), you can find the lowest local prices for your prescriptions at more than 70,000 U.S. pharmacies. GoodRx coupons can save you up to 80% on your prescriptions at no cost to you. It's easy; just show the GoodRx app to your pharmacist when picking up your prescription. Track prices and get notified with the latest saving alerts for your prescriptions.

To learn more about GoodRx, go to [goodrx.com/how-goodrx-works](http://goodrx.com/how-goodrx-works) and watch the short video.

## For More Information

## Applications, changes due December 17

On January 1, employees who previously waived coverage can enroll in the group plan by completing an **Anthem Enrollment Application** (available from the primary contact at your group) and emailing or faxing it to ISMA Insurance Agency for processing.

Insured employees who previously waived coverage for dependents can add them by completing an **Anthem Enrollment Application** (available from the primary contact at your group) and emailing or faxing it to ISMA Insurance Agency for processing. All requests for January 1 changes should be submitted by December 17 to allow time for processing before January 1.

## Anthem Summaries of Benefits available online

In compliance with the Affordable Care Act (ACA), a Summary of Benefits and Coverage (SBC) for each MPC 2022 Anthem health insurance plan is available online at [www.indianampc.org](http://www.indianampc.org).

The SBC provides standardized and easy-to-understand information about health plan benefits and coverage. Paper copies are available free of charge upon request.

## Get Anthem's Sydney app for iPhone and Android

Anthem's app is simple, smart and ready to change your health care experience. With Sydney, you can find everything you need to know about your medical benefits all in one place. Sydney makes it easier to get things done, so you can spend more time focused on your health. With one click, you can view and use digital ID cards, find care and check costs, check benefits, and see claims.

Anthem's Sydney toolkit is filled with turnkey content you can start using today. Access the toolkit at [www.anthem.com/ca/sydney?](http://www.anthem.com/ca/sydney?)

## All diabetic supplies to be filed with EpiphanyRx

Effective January 1, 2022, all diabetic supplies will be filed by Lumerica, EpiphanyRx's new specialty pharmacy, and no longer by Anthem or Acaria Health (Epiphany's prior specialty pharmacy). EpiphanyRx is replacing Acaria Health with Lumerica as their Specialty Pharmacy to improve the patient experience and increase price transparency. To facilitate a smooth transition, Lumerica will reach out to medical plan subscribers who are using diabetic supplies via letters and phone calls.

## New Avenues Employee Assistance Program

The MPC is pleased to announce the addition of an employee assistance program (EAP) for MPC medical plan subscribers and immediate family members in their households, effective January 1, 2022.

We recognize the serious effects of stress, personal problems, family issues, financial and other concerns on the lives and productivity of our employees. We further recognize that these are frequently problems that can be resolved with short term professional help. Through the New Avenues EAP, you and your immediate family members may take advantage of confidential counseling services through a network of licensed clinicians located close to your home or workplace, at no cost to the medical plan subscriber or family members. See the enclosed letter and flyer for more details.
