EpiphanyRx is now Navitus

The pharmacy benefit manager for the Anthem medical plan offered by your employer, EpiphanyRx, is rebranding as Navitus. EpiphanyRx and Navitus are currently one company and are now moving forward as one brand. The prescription benefits and the prescription benefit information on Anthem ID cards will be unchanged.

With the brand transition, members will now have access to the convenient, easy-to-use Navitus Prescription Benefits member app. The app offers the same tools as the portal, including drug search, pharmacy locator, and cost compare. Members can download the Navitus app from the App Store or Google Play.

See the enclosed flyer for more information on the name change and the app.
